UNNAMED HYBRIDS

The following unnamed hybrids include clones entered as new hybrids (Classes 7 and 8) in previous years. They now must now be entered in Class 2, 3, 5 or 6. A new cross of the same parentage may be entered in Classes 7 or 8 if the exhibitor can demonstrate that it is a different clone. Decision to place an entry is solely at the discretion of the Classification Committee and Show Chairman.

The show chairman welcomes corrections and updates for this list (e.g., names, registered or not). Contact Michael Martin Mills at mmm19119@gmail.com or 215-844-6253.
